**STIPULATION TO EXTEND PLAINTIFF'S TIME  
TO FILE COMPLAINT IN CIVIL FORFEITURE ACTION**

IT IS HEREBY STIPULATED and agreed upon between and among the United States of America by its attorney, Trini E. Ross, United States Attorney for the Western District of New York, Melanie J. Bailey, Assistant United States Attorney, of counsel, and James D. Doyle, Esq., attorney for Anthony O. Camacho (hereinafter "the claimant"), that pursuant to Title 18, United States Code, Section 983(a)(3)(A), the government's time to file a Verified Complaint for Forfeiture against the 2021 Toyota Tundra and various items in Attachment A is extended from March 18, 2023 to June 19, 2023.

The parties to this Stipulation further agree that the claimant may revoke his consent in writing to extend the time for the government to file its Verified Complaint for Forfeiture against the 2021 Toyota Tundra and various items in Attachment A and in that event, the government shall then have ten (10) days from the date the government received written notice of such action to file its Verified Complaint for Forfeiture against the 2021 Toyota Tundra and the various items in Attachment A.

  
The parties also agree the claimant filed a claim under 18 U.S.C. § 983(A)(2) for the various items as described in Attachment A, on or about December 19, 2022 (hereinafter referred to as "the items"). The claimant agrees to withdraw his claim, which will instead be considered an administrative petition under 19 C.F.R. § 171.1. The parties agree that the administrative forfeiture proceedings for the items will be stayed, and that the claimant reserves the right to file a claim for the items under 18 U.S.C. § 983(A)(2) within thirty (30) days of any Agency decision on his administrative petition, which could also be resolved through the final adjudication or some other disposition such as a plea agreement in the criminal case.
